

Types of Data Centers

Hyperscale DCs

For Cloud / Tech Giants

Colocation DCs

Multi-Tenant Facilities

Enterprise DCs

Single-Organization Owned

Edge DCs

Low-Latency, Near Users

Modular / Prefab DCs

Scalable & Prebuilt

HPC Centers

High-Performance Computing

Disaster Recovery DCs

Continuity-Focused

Industrial / Mission-Critical

Manufacturing, O&G, Factories

Green Data Centers

Low Carbon Footprint

Telecom DCs

Telco & ISP Infrastructure

Research & Government DCs

Labs, Defense & Public Services
